Good Afternoon:

We wanted to let you know that two additional individuals in the Circle CILA have now tested positive for COVID-19. All are stable and doing reasonably well given the circumstances. The contingency plans that we implemented as outlined in the previous email below are working well. We continue to frequently monitor symptoms and vital signs for changes that would require additional triage. Our staff who are doing the 24/7 live-in model are doing well. Please continue to pray for healing, strength and wisdom during this difficult time.

Sincerely,

Crystal Streitmatter
