

April 9, 2020

Greetings to All:

Hope you are enjoying this beautiful day! Wanted to give you a brief update....the residents are still doing well and we are thankful! Please continue to pray that both residents and staff can be spared from harm and illness.

As you are well aware...the Stay At Home Order continues at this point through April 30th. We thank you for your support thus far, and ask that you continue to respect our 'no visitor' policy that is in place through this time period. We recognize that this is a very difficult circumstance for everyone! All of our homes now have SKYPE installed on computers/phones, and we are hopeful that video chatting will help to bridge the gap. Please reach out to your loved ones Case Manager if you have other creative ideas to connect with your loved one. The residents love U.S. Mail too!

IDPH recently issued Universal Masking Guidance for all Health Care Professionals. We are complying with this by requiring our staff to wear cloth masks (that were donated to us) while on duty, so that we can save our supply of surgical masks should we need them for illness.

We are blessed with vigilant, courageous and caring staff who are caring for your loved ones. They are accountable for so much during this time when handwashing and infection prevention is key, and we continue to look for creative ways to reward them. Thank you again for your support and prayers during this time. If you have questions, don't hesitate to contact us.

Have a blessed Easter! We continue to trust in God to provide!

Thank you,

Crystal Streitmatter
