Good Afternoon All,

We are already one week through the current Stay At Home Order...so far so good and hope you are all well too! We don't have a lot to report from our end, but wanted to touch base and make you aware of some of the activities going on in various places to stay busy.

In the CILA's we've been making cards for residents in nursing homes, viewing virtual field trips, playing games, doing Wii bowling and LEGO challenges, canvas painting, word searches, outdoor scavenger hunts, dog visits, and making hearts for the Heart Scavenger Hunt that's going on in the community. The Morton Sunday School teachers dropped off some materials for us to use this Sunday for a lesson.

At Oakwood, we're making Easter baskets, sending cards to family members, and doing Cooking Club. We're doing a crock pot meal for the weekend and all love making it and eating it! We're doing rides in the vehicles to get out as well.

At Linden, we're taking walks, doing board games, coloring, listening to music and singing, watching videos and old TV shows, exercising, and going for rides. We have a BINGO challenge going on amongst all of our homes as well.

Feel free to check in with your loved one's Case Manager if you want more information. Please keep praying the Lord will put a hedge about us and keep us safe, and for our staff who are so willingly meeting the needs as best they can.

We continue to trust in God to provide!

Thank you,

Crystal Streitmatter
